## Already! It's Only Been 32 Years. THANK YOU, JILL GOLDSTEIN

On November 2, Jill Goldstein will begin a new phase of her life. After 32 years serving in a variety of roles, including teaching in the Polsky Religious School and serving in multiple administrative roles for our clergy and staff, Jill Goldstein has decided to move on to her new career... RETIREMENT.

*Retirement? Really? We can't believe it. Not Jill.  
Yes, Jill. She has earned it.*

But, calm down people. While Trinity Lawson and Becca Levine will pick up a majority of her work, she will continue to work with our B'nai Mitzvah families on a part-time basis to ensure they have a smooth journey from the time their child's Bar/Bat Mitzvah date is chosen through the day they become a valued member of our minyanim. Jill, thank you for all you have done for this Congregation; thank you for all you will continue to do for us. We have been blessed with the opportunity to have known you and have you as such an important part of our lives. You will always be part of our Beth Shalom family.

While a date has not been selected, we are planning a special Shabbat in Jill's honor. Until then, Jill is not running away; she is only taking the time to slow down a bit. God knows she deserves it.

## A SPECIAL SHABBAT
