Dear Parents,

Attached you will find Extra Programs information for the Fall Semester. You may choose to sign your child up for a program(s) by the semester and this will guarantee a spot for your child(ren). However, we will NOT transfer days or offer credits this year. You can also buy a punch card for extra programs which are punched as you need the program. There will be an additional \$1.00 charge for every drop in and we cannot guarantee we will have the space available for drop ins.

Thank you,

Judy Jacks Berman

## **ARF Topics for First Semester 2018**

**12:00pm - 3:15pm for Minischool and 3s and 1:30pm-3:15pm for PreK**

**Monday (Miss Sunni) = Book Club:** Let your imagination carry you away through a story. Children will listen to a book and engage in an activity, art project, or a retelling centered around the story they heard.

**Tuesday (Miss Cathy) = Science:** Your budding young Einstein will predict, hypothesize, and experiment in this hands on, sensory integrated afternoon. These experiments will stimulate your child's senses and encourage the use of scientific processes while they play, create, investigate and explore.

**Wednesday (Miss Lauryn \*) = Yoga, Mindful Movement, and Meditation-** With fun breathing, movement, and stillness exercises, the children will be offered a basic yoga/mindful movement & mediation program. When used consistently, these practices can help kids learn to recognize and regulate their emotions.

**Thursday = (Miss Cathy)= Sensory=** This afternoon will be devoted to sensory creation and play. Children will explore a variety of sensory items such as slime, playdough, shaving cream, etc.

\*Miss Lauryn is a former preschool parent and a licensed social worker with 200 hours of yoga teacher training.
